### **How to apply for the grant?**

Please see attached screen-flow for a step-by-step guide.

### **Why do you need this solution?**

EzyProcure is a system that would allow my company to shift our current manual ordering processes to electronic means, and significantly improve the companies productivity by removing many time-consuming manual processes thus enhancing our competitiveness by enhancing their productivity and lowering their business operating costs. Usage will be daily.

### **Describe how the solution will change the way you do things?**

EzyProcure streamlines our current manual procurement work process thus increasing productivity significantly. We will use EzyProcure to perform electronic ordering, PO generation, goods receiving and invoicing. It will saves significant man hours and ensures accountability, awareness and security.

### **What task will be more efficient with the new solution?**

Ordering, Good Receiving and AP Reconciliation

### **How much more efficient do you expect this task to be?**

50 to 70%
