YOUR KEY BENEFITS

GREAT SAVINGS

From your buying and supplying processes to manual data entry and costly mistakes, all these can be avoided.

E-DOCUMENTS

Electronically generate e-invoices, GRs, PRs, POs, price trends, MIS reports, etc.

SEAMLESS INTEGRATION

Instant data exchange with your back-end ERP, accounting and inventory systems to save time and cost.

TRANSPARENCY

Provides visibility & accountability.

REAL TIME NOTIFICATIONS

Get push notifications and email alerts for real-time price updates to enhance responsiveness.

AUTOMATED INVOICE RECONCILIATION

Unique AI-powered OCR scanning of invoices, allowing up to 4 way matching of PO, GR, hard copy invoices and e-invoices for 70% time savings.

IMPROVED CASH FLOW

Buyers enjoy up to 60 days' interest-free credit, while having negotiation power for early payment discounts. At the same time, suppliers' receivables can be collected within 2 to 5 working days.
